# Opportunity Knocks for **Community College Students**
## Jumpstart Your Career at Hart to Heart

### The Hart to Heart Difference

› Competitive compensation package

› Access to comprehensive benefits package (medical, dental, vision, life, 401K)

› Scheduling flexibility with full-time and part-time shift options available 24/7

› Ongoing educational opportunities, including tuition reimbursement

› Annual training, refresher and recertification courses offered

› New ambulances designed to support team member ergonomics

*"My ultimate career goal is to be a nurse. I am currently enrolled at Howard Community College, so my classes are a top priority, but I also wanted to work part time to gain some practical skills and relevant experience. Joining Hart to Heart as an EMT gave me that opportunity, with lots of flexibility in terms of scheduling. I learn something new with every patient interaction. It's great to be able to go to school and work at the same time."*

*—Jarad M., EMT-B*

### Join Our Team

Are you currently taking classes at a community college, and itching to get some "real world" experience? If so, Hart to Heart can offer you an opportunity that will put you on the right path to success!

As an emergency medical technician (EMT) for Hart to Heart, you will grow, experience and expand your skill set on a daily basis. You will gain valuable new personal and professional experiences.

As our company grows, we are recruiting both emerging and experienced EMTs to join our team. If you would like to work with an evolving, team-focused company that will make your career goals a priority, Hart to Heart is the right employer for you.
